

WOODPIGEON HUNTING UK. SUMMER HUNTING

SPRING DRILLINGS A MONTH LATE IN MOST OF THE UK OUR SHOOTING HAS BEEN OVER RAPE 3 & 4 INCHES HIGH, INSTEAD OF 2 FEET!!! DRILLINGS STARTED 1ST WEEK OF APRIL!

Good pigeon numbers building up as summer crop cutting starts

So here we are another crop cutting and what a relentless winter we have suffered its good to see the crops being cut the birds arriving in large numbers decoying well over the mixed crops we have access to, we have added a 30,000 acre area in Leicestershire where with our partner Matt Cole we had many good days over laid crops for our weekly French groups

Depending on what is required by the client relate to the cost we charge, but we offer a full guided on site service or

a do it your self service so costs vary accordingly.
